Marcero Declaration

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF DELAWARE**

In re:

LORDSTOWN MOTORS CORP., *et al.*,³

Debtors.

Chapter 11

Case No. 23-10831-MFW

(Jointly Administered)

**DECLARATION OF LAURA MARCERO IN SUPPORT OF APPLICATION FOR ENTRY OF
AN ORDER AUTHORIZING THE EMPLOYMENT AND RETENTION OF HURON
CONSULTING GROUP INC. AS FINANCIAL ADVISOR TO THE OFFICIAL COMMITTEE
OF UNSECURED CREDITORS EFFECTIVE
AS OF THE RETENTION DATE**

Pursuant to Rule 2014(a) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”),

I, Laura Marcero, declare under penalty of perjury that:

1. I am a Managing Director of Huron Consulting Group Inc. (“Huron”), a professional services firm with numerous offices throughout the country. I am duly authorized to make this declaration (the “Declaration”) on behalf of Huron.

2. This Declaration is being submitted in support of the Application for Entry of an Order Authorizing the Employment and Retention of Huron Consulting Group Inc. as Financial Advisor to the Official Committee of Unsecured Creditors Effective as of the Retention Date (the “Application”).

3. I have personal knowledge of each of the facts stated in this verified statement, except for those facts stated on information and belief and, as to those facts, I am informed and believe them to be true. If called as a witness, I would testify as to the matters set forth below based upon my personal knowledge. To the extent that I obtain additional information, which requires further disclosure or modification, a supplemental statement will be submitted to the Court.

4. Neither I nor, to the best of my knowledge, any other member or employee of Huron had any business, or other connection, with the Debtors, its attorneys, investment banker or financial advisor,

³ The Debtors and the last four digits of their respective taxpayer identification numbers are: Lordstown Motors Corp. (3239); Lordstown EV Corporation (2250); and Lordstown EV Sales LLC (9101). The Debtors’ service address is 27000 Hills Tech Ct., Farmington Hills, MI 48331.

or any other party in interest, except as disclosed herein. Huron is disinterested as defined by 11 U.S.C. § 101(14) and does not have or represent an interest materially adverse to the interest of the estate or of any class of creditors.

5. Specifically, Huron obtained from the Debtors the names of individuals and entities that may be parties in interest in these Chapter 11 Cases (the “Potentially Interested Parties”).

6. Huron has represented, represents, and in the future will likely represent, committees in matters unrelated to the Debtors and these Chapter 11 Cases, whose members are or may be creditors and/or committee members in these Chapter 11 Cases. Huron, however, is not representing any of those entities in these Chapter 11 Cases and will not represent any members of those committees in any claims that they may have collectively or individually against the Debtors.

7. Huron’s conflict analysis, completed under my supervision, consisted of queries of an internal computer database containing names of individuals and entities that are present or recent former clients of Huron in order to identify relationships with the Potentially Interested Parties. A listing of the parties included in these queries are set forth on Schedule 1 to this Declaration. A summary of the relationships and representations that Huron was able to identify using its reasonable efforts is set forth on Schedule 2 to this Declaration. Huron’s representation of each entity listed on Schedule 2 (or its apparent affiliate, as the case may be), however, was or is only on matters that are unrelated to the Debtors and these Chapter 11 Cases.

8. Huron is not providing, and will not provide, services to any of the clients that are listed on Schedule 2 with respect to matters as to which they would be adverse to the Debtors or their estates or related to issues connected to the Debtors’ Chapter 11 Cases. Huron has provided, and likely will continue to provide, services unrelated to these Chapter 11 Cases for the various Potentially Interested Parties listed on Schedule 2. Huron’s provision of services to these Potentially Interested Parties primarily has involved the provision of consulting services. To the best of my knowledge, information, and belief: (a) Huron’s services to these parties were and are wholly unrelated to the Debtors, their estates, and these Chapter 11 Cases; (b) Huron has not provided services to these parties that could impact their rights in these Chapter

11 Cases; and (c) Huron's involvement in these Chapter 11 Cases does not compromise its ability to continue providing such consulting services to these Potentially Interested Parties.

9. Moreover, as part of its diverse practice, Huron appears in numerous cases, proceedings, and transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who may represent claimants and Potentially Interested Parties in these Chapter 11 Cases. Additionally, Huron has performed in the past, and may perform in the future, consulting services for various attorneys and law firms in the legal community and has been represented by several attorneys and law firms in the legal community, some of whom may be involved in these Chapter 11 Cases. Moreover, Huron has in the past, may currently and will likely in the future be working with or against other professionals involved in these Chapter 11 Cases on matters unrelated to the Debtors or these Chapter 11 Cases. Based on my current knowledge of the professionals involved, and to the best of my knowledge, none of these business relationships create interests materially adverse to the Debtors with respect to the matters for which Huron is to be employed, and none are in connection with these Chapter 11 Cases.

10. Although Huron has researched the Potentially Interested Parties list, the Debtors may have customers, creditors, competitors, and other parties with whom they maintain business relationships that are not included as Potentially Interested Parties and with whom we may maintain business relationships. Other than as disclosed herein, Huron has no relationship with the Debtors of which I am aware after due inquiry.

11. To the best of my knowledge, no professional of Huron who will work on these engagements are related or connected to any United States Bankruptcy Judge for the District of Delaware, any District Judge for the District of Delaware, or any employee of the U.S. Trustee.

12. The Huron professionals providing services to the Committee will consult with internal Huron bankruptcy retention and billing advisors to ensure compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, guidelines established by the United States Trustee and any other applicable procedures and orders of the Court, as well as to decrease the overall fees associated with the administrative aspects of Huron's engagement. The services provided by these bankruptcy retention and

billing advisors shall include, but are not limited to: (a) assistance with preparation of the bankruptcy retention documents; (b) assistance with the disinterestedness disclosures; and (c) preparation of monthly fee statements and interim and final fee applications. Given the specialized nature of these services, specific billing rates exist for these Huron bankruptcy retention and billing advisors.⁴

13. I have read the statements contained in the Application. To the best of my knowledge, the statements are true and correct, including statements made therein regarding Huron's qualifications and compensation rates.

14. I declare under penalty of perjury that the foregoing is true and correct. This Declaration is made subject to the penalties of 28 U.S.C. § 1746 relating to unsworn falsifications to authorities.

Dated: August 7, 2023

Respectfully submitted,

By:
Laura Marcero
Managing Director
Huron Consulting Group, Inc.

⁴ The rate per hour for these Huron bankruptcy retention and billing advisors by level of experience will be as follows: Managing Director \$975 - \$1,315; Director/Senior Director \$700 - \$950; Manager \$600; Associate: \$500 - \$500; Analyst \$325 - \$500. These rates also are subject to periodic adjustments.
